

**Option 1:** Stop on W. Ridge Rd with red flashers to unload at main entrance.

**Option 2:** Approach from Palm Street as shown to ensure the loop is clear before entering. Only one bus allowed to use the drop-off area at a time. Avoid making a right turn from West Ridge Road. Pull up to the painted marker along the curb, allowing children to safely disembark without blocking the crosswalk, before exiting the loop.

**Option 3:** Utilize Lot 11 to park and walk to the building via the crosswalk.

*If any of the options appear to be blocked in any way, please utilize a different option and notify the officer in the lobby of the blockage and we will respond accordingly.*

After unloading, buses can park in Lot 11 until pickup time.
